

REPORT OF THE CROOKHAM VILLAGE PLANNING COMMITTEE TO THE PARISH COUNCIL MEETING OF DECEMBER 2014

DECISIONS

14/02301/TPO – 30 September 2014

There is only one tree in the back garden of 6 Brandon Road with a TPO, this being a large Hawthorn to the west side of the garden. This tree has been regularly pruned, purely to try and keep it under control as new branches grow at the rate of around 4 foot per annum. If possible, I would like to remove this tree for the following reasons: - It is a large tree which grows at a vigorous rate, and is unsuitable for a relatively small back garden. If left untended, the tree will quickly sprawl outwards in all directions and to a height of around 25 foot. This would dwarf one entire side of the garden. - Little to nothing will grow around the tree...

14/02351/TPO – 17 November 2014

1. Oak; crown lift canopy to provide no more than 5metres clearance from ground over grassed area to rear of property, reduction in trailing branch length will be to suitable laterals. This work is intended to open garden space while maintaining a natural habit and appearance to the canopy of the tree.

2. Oak; Crown lift southern aspect of canopy to match proposed skirt height of 'oak 1.' Thin remainder of canopy by approximately 20%. This work is intended to compliment the affect of lifting the canopy of the previously detailed tree and will be carried out in conjunction with the removal of ivy currently ascending the centre of the tree to the upper canopy
