**MIN.118/19 ZCC ANTI-SOCIAL BEHAVIOUR ISSUES**

The Centre Managers had received complaints from Centre users of racial abuse and degrading taunting of small children. There had been an issue where a group of youths had congregated in the entrance to the Hall and users had difficulty exiting the premises. In addition, over a short period of time dozens of NOS canisters and discarded balloons have littered the grounds and some damage caused to some of the equipment in the older children's play area. As a consequence the Centre Managers had raised one complaint with the 101 number which registered the complaint but doES not respond. The Centre Managers also engaged with the local Safety Community Police officer and he had made several visits on a number of evenings to endeavour to engage with these youths. Whilst this meeting was in progress it was noted that a number of vehicles were driving into the rear car park and just, at this stage, parking there. Members were advised of the options they could use to ensure this behaviour was acted upon and after a lengthy debate they decided to explore the use of being linked to the Hart & Rushmoor 24 hr CCTV room and in addition get quotes for putting a barrier across from the end corner of the building to the bicycle unit which could be locked when not required by hall hirers. The possibility of a trial period of a Security Company visiting the premises was also raised.

**RESOLVED: Explore costs for the CCTV unit and a barrier and also request Security Company to visit the Centre on a trial basis.**

**Min. 119/19 INFORMATION SHARING AND AGENDA ITEMS FOR NEXT MEETING.**

None.

The meeting closed at 8.35pm

**Post Meeting Note:** When the Council meeting finished Members went to the rear car park and noted a number of vehicle registration numbers which were passed on to the CSPO.
